

Build a whole-of-practice approach to suicide prevention

Our specialised programs are designed to equip you with leading methodology and strategies in suicide prevention and intervention. To keep abreast of new developments, our programs are regularly reviewed by our national Advisory Board, consisting of leading Australian researchers and practitioners in the field.

Wesley LifeForce Suicide Prevention training workshops for General Practitioners and Practice Nurses

- Comprehensive 6 hour Active Learning Module
- Gain a greater understanding of risk management, suicide prevention intervention strategies and patient support and management
- Demonstrates a strategy to provide assistance to a patient who may be considering suicide, understanding the time constraints of general practice consultations

Completion of this educational activity entitles eligible participants to claim 6 CPD hours.

This Active Learning Module has been approved by the RACGP QI&CPD Program. Total points 40 Category 1 points

This activity has been endorsed by APNA according to approved quality standards

Wesley LifeForce Suicide Prevention training workshops for Practice Managers and staff

- 2 hour tailored seminar
- Build awareness and skill staff to recognise 'at-risk' signs and to respond appropriately

As part of practice accreditation your staff are required to be able to triage patients. This workshop enables you to develop a strategy or protocol to meet the needs of your practice
