

# Suicide Prevention Care Pathways Project: community consultation

***Do you have a lived experience of suicide, either individually or as a family member or carer?***

*Beacon Strategies invites you to come along and discuss local support options in the Brisbane North region*

## **Workshop Details**

*The session will consist of a short presentation, followed by an interactive service mapping workshop.*

**Where:** Redcliffe Volunteer Hub, 395 Oxley Avenue, Redcliffe.

**When:** Friday 22nd of June, 2018. 1.30pm - 4pm.

***Light refreshments provided***

*For more information, contact Mitch Stalker on 0422699808 or [mitch@beaconstrategies.net](mailto:mitch@beaconstrategies.net)*

## **Who should attend?**

- The project aims to better understand existing suicide prevention care pathways in the community, primary care and the hospital settings.
- Everyone is welcome at the workshop, however Aboriginal and Torres Strait Islander communities, LGBTI+ communities and young adult / middle aged men have been identified as priority populations.
